COACH REGISTRATION

Even if you have submitted your contact details on the ILCA entry system you are also required to register with the Organising Authority at this link if you have not already done so.

Radial Women: <https://www.trybooking.com/BFJZV>

Radial Men: <https://www.trybooking.com/BFJZX>

Your coach registration for this Regatta includes:

- Marina berthing
- Access to on site fuel refilling
- Off-site trailer storage
- Post-race food snack
- Entry to the Welcome Function (wrist band required) including light meal and first drink on arrival
- Entry to the mid-week party including light meal (wrist band required)
- Mandatory Coach boat identification flag and staff
- Hazard tape as required by SI 24.4
- Coach identification wrist band (indicates honorary membership of the SYC and required for post-race food and Welcome Function entry)
- (AUD \$50 return deposit taken at registration – refunded on return of coach flag and wrist band).

During Registration please attend the Regatta Office to pick up your Coach Boat Flag and Wrist band.

Please email any special dietary requirements to: info@laser2020.com

LASER 2020 PHONE APP

Download the free Laser2020 smartphone App to your Apple or Android phone. Includes Results, Messaging, Documents, Program, Weather, Tides, Local business recommendations and more. Please recommend to you team and your supporters.

Coaches can use the App to purchase Presentation Function tickets.

REMINDER RE COUNTRY CODES ON SAILS

Coaches are reminded sailors must place county codes on the supplied sails before measurement. As Country Code letters may be in limited supply at the venue, we recommend you bring letters with you to the regatta.

AN IMPORTANT MESSAGE FROM OUR HOST CLUB

Dear Coaches and Sailing teams,

We hope you have been enjoying the facilities here at Sandringham Yacht Club. Leading up to the 2020 ILCA Laser Radial Women's and Men's World Championships, we would like to confirm a few items and request some information from you. To ensure a smooth transition of equipment leading up to and following the completion of the Regatta please note.

1. Your sailors will be training using either a Laser charter or your own Lasers.
 - a. Before you receive your world title charter vessel (Women Radial sailors), you will need to have removed your training vessel from the club.
 - b. If you are returning a Laser back to a charter company, they must remove the boat from SYC, unless it is being re chartered.
2. During the 6 race days of the Laser Standard Men's Laser World Championships 9th to the 16th February.
 - a. All Radial sailors are to keep their boats in Zone 1 during this event
 - b. We request that the women and men Radial sailors that are training launch and return for training 1 hour prior to the Standard Men's race so that dolly's are not hindering the launch of the Men's Standard fleet, and/or
 - c. Launch after the last Standard has been launched ensuring their dolly is removed from the launch area.
 - d. Training sailors should return well before the final Standard race is completed or after all Standard sailors have returned and are signed off.
3. Coach boats - please depart and return your rib from your allocated berth. **Coach Boats must not park ribs on docks near the boat ramp or travel lift on the fingers near cranes**, unless being lifted or coming out of the water.
4. Departure following the end of the Laser Radial Women's and Men's World Championships on 28th February it is anticipated;
 - a. all charter boats will be returned to PSA.
 - b. teams will want to pack containers with Ribs and Lasers for on forwarding to your next training competition venue.
 - c. Some teams have already contacted us and requested time slots for live load of containers which is usually a 2-hour slot. Please when requesting a slot make sure that your equipment is ready to be loaded and your personnel are ready for the loading of the container.
 - d. Unfortunately, SYC is not in a position to accommodate overnight or extended container stays

Please contact boating@syc.com.au and request a live load date and time as we have only limited time slots.
